

**NIELIT Programme: Empowerment of SC/ST Local Youth & Women in
Darjeeling Government College, West Bengal**

REPORT

**Program Coordinator- Prajjawal Pradhan, W.B.E.S
Assistant Professor, H.O.D
Department of Commerce
Darjeeling Government College**

Dated : 29th May 2023

Background: During the challenging period of 2020-21 and 2021-22, marked by the COVID-19 pandemic, a significant initiative was undertaken in the college which aimed at empowering SC/ST local youth and women through skill enhancement in information technology (IT) and related areas. This initiative was made possible through the National Institute of Electronics & Information Technology (NIELIT) programme, funded by the Ministry of Electronics & Information Technology (MeitY), Government of India.

Programme Overview &Assesment: The programme encompassed a comprehensive curriculum spanning over 550 hours, with a focus on equipping participants with relevant skills for employment generation and entrepreneurship development. The assessment was done by NIELIT through online examination. The key components of the programme included:

1. **Advance Diploma in Computer Application:** Participants underwent rigorous training in various aspects of computer applications, enabling them to acquire proficiency in essential software tools and techniques.
2. **Soft Skills Training:** Recognizing the importance of soft skills in today's competitive job market, special emphasis was placed on enhancing participants' communication, interpersonal, and leadership skills.
3. **Web Design & Graphic Design for Handloom & Handicraft Weavers/Artisans:** With a view to leveraging the power of IT in traditional artisanal practices, participants received specialized training in web design and graphic design tailored to the needs of handloom and handicraft artisans.
4. **LED Bulb Manufacturing:** Participants were introduced to the fundamentals of LED bulb technology, including its working principles, manufacturing process, assembly, and testing procedures, thereby equipping them with valuable skills in the burgeoning field of sustainable energy solutions.

**Officer-in-Charge
Darjeeling Govt. College**

5. **Solar PV Cell Technology:** In line with the growing demand for renewable energy solutions, participants gained insights into solar photovoltaic (PV) cell technology, covering aspects such as design, testing, assembly, and installation processes, thereby fostering their capacity to contribute to the renewable energy sector.

Implementation: Given the constraints imposed by the COVID-19 pandemic, the programme was conducted entirely online, leveraging digital platforms to ensure seamless delivery of content to participants. Over the course of the programme, four batches of participants underwent training, with each batch benefiting from interactive online sessions and multimedia resources to facilitate hands-on learning.

Serial NO.	Batch No	Period from	Period to	No of students enrolled	No of students completed
1.	3 rd Batch 2021-2022	10.06.2021	28.09.2021	09	08
2.	4 th Batch 2021-2022	04.09.2021	28.12.2021	29	10
3.	5 th Batch 2021-2022	21.10.2021	03.02.2022	90	13

Outcomes: The NIELIT programme yielded several tangible outcomes, including:

- **Enhanced employability:** Participants acquired valuable skills aligned with the demands of the contemporary job market, thereby enhancing their prospects for gainful employment.

Officer-in-Charge
Darjeeling Govt. College

- Entrepreneurship development: The programme nurtured entrepreneurial aspirations among participants, equipping them with the requisite knowledge and skills to explore opportunities for self-employment and business ventures.
- Socio-economic empowerment: By targeting SC/ST local youth and women, the programme contributed to the broader agenda of socio-economic empowerment and inclusive growth, thereby fostering greater equity and social cohesion within the community.

Conclusion: The NIELIT programme, conducted during the challenging COVID-19 period, emerged as a beacon of hope and opportunity for SC/ST local youth and women of the college. By imparting valuable skills in IT and related domains, the programme not only enhanced participants' employability but also laid the foundation for their holistic empowerment and socio-economic upliftment.

Flyer of the Programme

National Institute of Electronics & Information Technology, GoI
Darjeeling Louis jubilee complex, DRDC Office Premises , P.O-Darjeeling,
Dist-Darjeeling

Free of Cost Training for:

*Empowerment of SC/ST Local Youth & Women on Enhancement
Of Livelihood Activities using IT & Tools*

*The Mission of Employment Generation & Entrepreneurship Development
For the District of Darjeeling, West Bengal*
Funded By: - Ministry of Electronics & Information Technology (MeitY), GoI

Project Courses:- 550 hrs.

- ❖ Advance Diploma in Computer Application ,
- ❖ Soft Skills Training
- ❖ Web Design & Graphic Design for Handloom & handicraft Weavers/ Artisans
- ❖ LED BULB: Introduction of LED Bulb, Working Principal, manufacturing process, assembly & testing process.
- ❖ Solar PV Cell: Introduction of Solar PV cell, working principal, Design of solar panel, Testing, Assembly & Installation Process.

Implemented By

National Institute of Electronics and Information
Technology (NIELIT), DARJEELING District
Under Ministry of IT, Govt of India.

NOTICE

Date: 03.06.2021

Dear Students,

We are pleased to inform you that the National Institute of Electronics & Information Technology (NIELIT) is organizing 3rd Batch of online programme on "Empowerment of SC/ST Local Youth & Women on Enhancement of Livelihood Activities using IT & Tools, The Mission of Employment Generation & Entrepreneurship Development."

Programme Details:

- **Title:** Empowerment of SC/ST Local Youth & Women
- **Objective:** Enhancement of Livelihood Activities using IT & Tools, Employment Generation & Entrepreneurship Development
- **Duration:** From 10.06.2021 – 28.09.2021
- **Mode:** Online

Course Offerings:

- Advance Diploma in Computer Application
- Soft Skills Training
- Web Design & Graphic Design for Handloom & Handicraft Weavers/Artisans
- LED BULB Manufacturing
- Solar PV Cell Technology

Who Can Participate: This programme is open to all SC/ST and female students who wish to enhance their skills in IT and related areas, particularly those from the SC/ST communities. Participation is highly encouraged as it offers valuable opportunities for skill development and empowerment.

Contact Information: For any queries or assistance regarding the programme, please feel free to contact Mr. Prajjawal Pradhan, (8637326214) Assistant Professor, Program Coordinator.
