## ALUMNI ASSOCIATION

### Darjeeling Government College

*Annual Report (2021-2022)*

Alumni association keeps alumni connected to their alma mater and each other, and they provide valuable resources and networking opportunities for both current and former students. For current students, alumni networks can provide mentorship and guidance. For former students, alumni networks can provide a way to stay connected to the college and other alumni. Alumni networks can also be a way to give back to the institution by providing advice and mentorship to current students. Alumni association is best at keeping the students who have passed out from the institution connected to each other and to the institution itself. The Association gives the opportunity to give something back to the alma mater from whom we have received our education.

The first part of 2021 was in lockdown, after opening the college in November 2021, the association arranged a meeting in next year March 2022. It was a reunion meet of all the members after the pandemic followed by lockdown. President of the Association Sir Rujas Yonle, (Associate Professor, Department of Zoology, DGC) gave the introductory speech.

Members of alumni association were invited in the Annual Sports Meet 2022 of Darjeeling Govt. College held on 5<sup>th</sup>-7<sup>th</sup> May, 2022. The members also participated in different sports events.
