Ecosystem for Innovations and Initiatives for Creation/Transfer of Knowledge

Darjeeling Government College provides an active environment for the promotion of Innovation and Incubation. All required facilities are provided and Guidance is extended to the students. The institute frequently arranges awareness programs, workshops, seminars, and guest lectures on academics and career counselling programs. Students are provided opportunities to directly interact in their field. The institute arranges seminars, webinars and workshops which are motivated students in higher education. Apart from traditional classroom learning, the many departments engage in various academic and social activities throughout the year for the intellectual development of our students. Some Student-centric activities are given below:

- Field Study/Excursion: A field study is a general method for collecting data about users, user needs, and product requirements that involves observation and interviewing.
- Student Seminars: The Student seminars are organized where the papers are presented by students on contemporary topics to enrich their learning experience.
- Summer Internship Program: The NSS Swachh Bharat Summer Internship is organized for NSS students.
- Project methods: The project work stimulate students' interest in the subject and provide the student an opportunity for freedom of thought and the free exchange of different views.
